Food & Beverages

The Wakka

Wakka bar is for winding down. Take in in wintry mountain views through expansive bay windows while enjoying a bite to eat and a drink at our cosy bar. Open all day and centrally located, Wakka is a prime place to warm up over cocktails, gather to celebrate the day's successes after our G.O show, or just reconnect as a family. In the evenings, enjoy sake, whisky, or sip a hot chocolate or tea to toast to your Hokkaido travels together.

The Daichi

Main Restaurant

Savour a variety of delicacies from our international buffet. With an emphasis on Asian flavours, sample from a selection of fresh-caught sashimi, sushi, and chirashi prepared by skilled Japanese Chefs who use traditional methods. You can also watch as energised live cooking stations showcase Chefs preparing each dish, including handmade soba, ramen, and udon noodles. This recently expanded restaurant takes its inspiration from mountain views and the forms and shapes of origami, representing longevity and good luck. Wrapped in glass with nature in every direction, dining here is an immersive Hokkaido winter experience. For added convenience, a Baby Corner will offer sweet and savoury baby foods, equipment to prepare babies' meals, and high chairs or booster cushions. Spare pushchairs are also available upon request.

Mina Mina

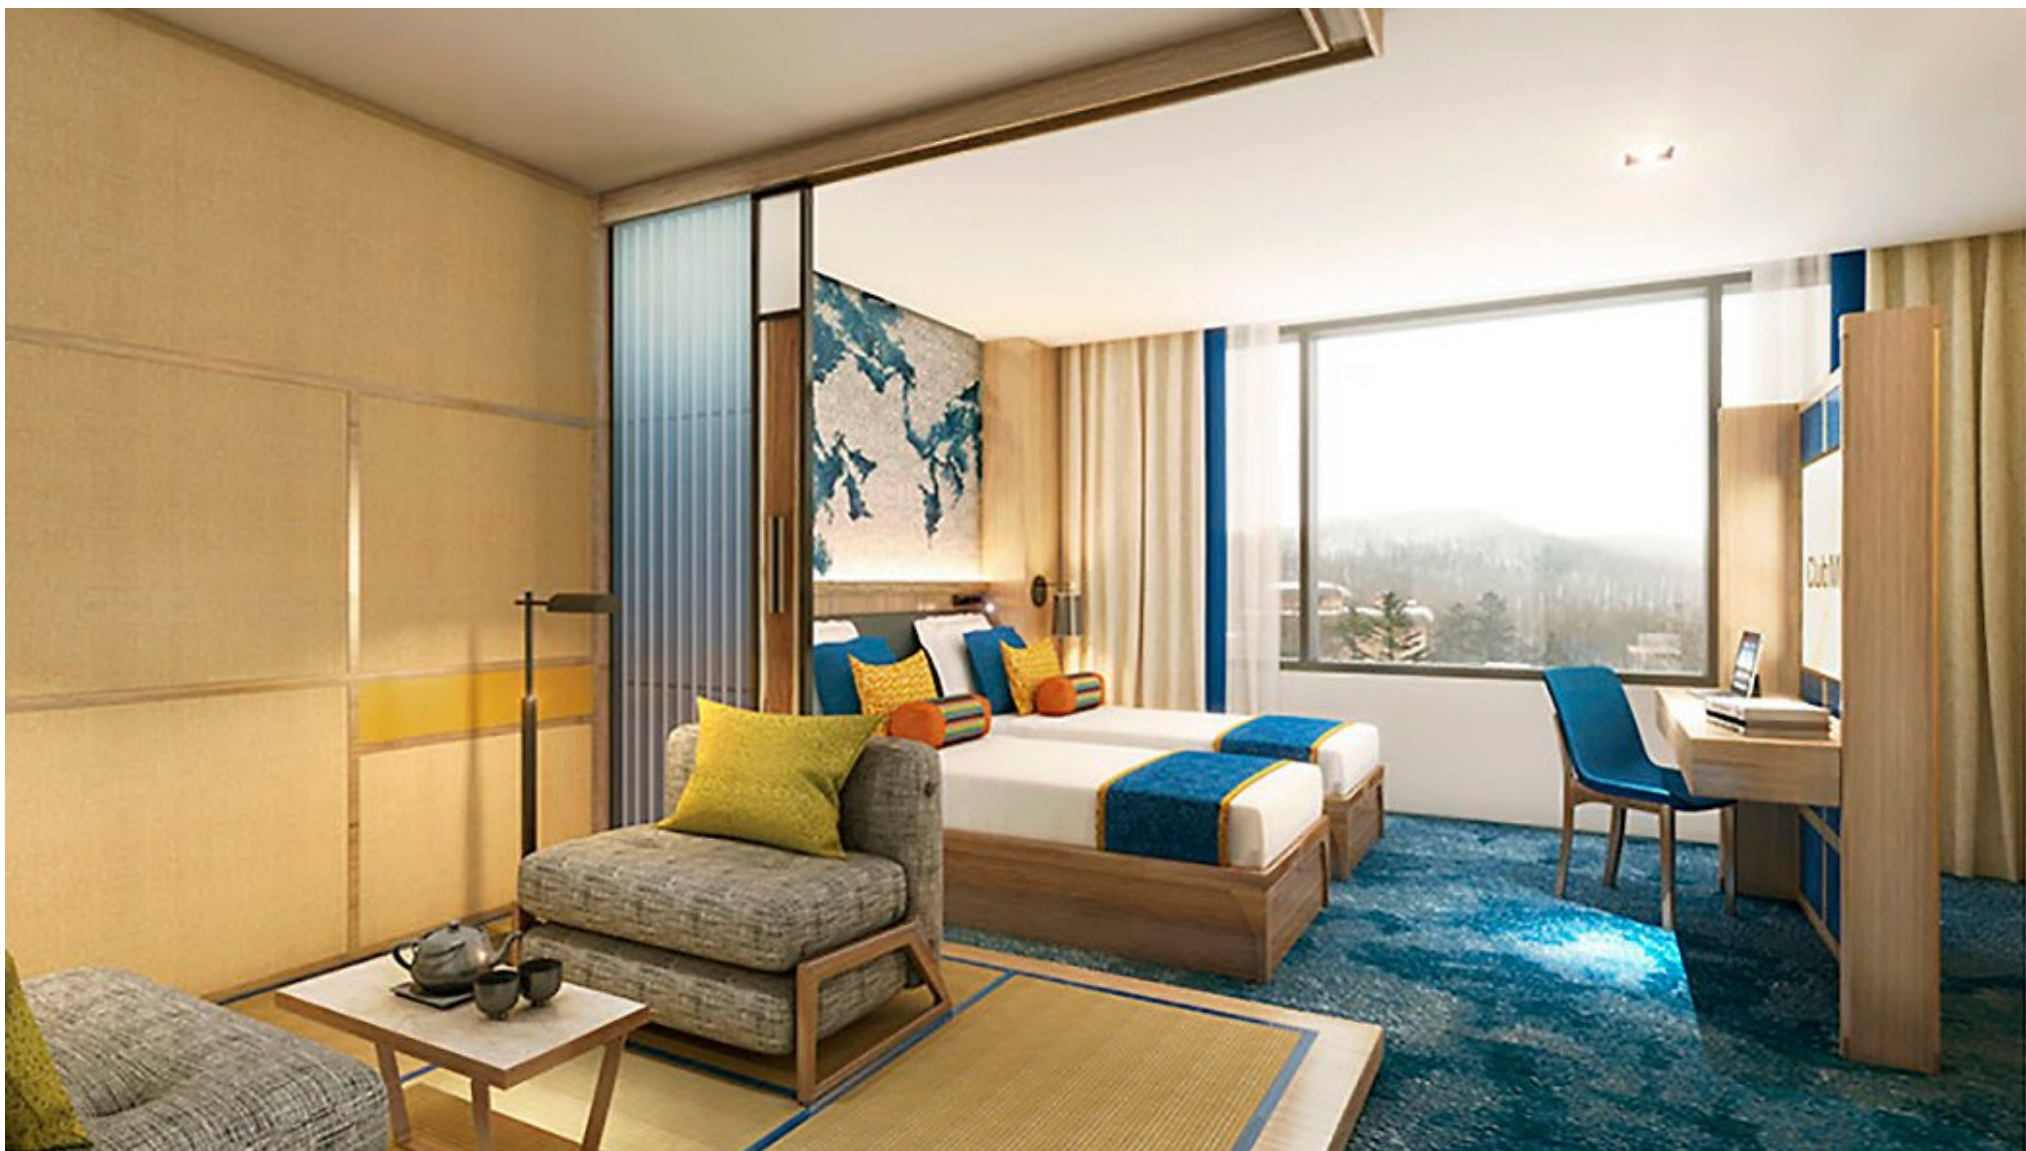

Speciality Restaurant

Your family will love this must-try dining experience. Our Mina Mina specialty restaurant prepares a traditional nabemono, or nabe, soup served in a heated pot right at the table. Choose from your favourite ingredients including meat, crab plate, seafood plate, and vegetables. Then, just add or dip one by one to customise your meal. Please note: Some selections are available for an additional fee.

Some Resorts offer the possibility of having lunch at another Resort in the same ski area
