

VAKARUFALHI MALDIVES

One of the best Deluxe Maldives resorts, tucked away in the remote corner of South Ari atoll, Vakarufalhi is among the pearls that make up the amazing Maldives Islands.

Vakarufalhi, better known as Vakaru, is a tropical island enhanced by swaying coconut palms and white sandy beaches. Surrounding the island is a pristine lagoon enriched

by a stunningly beautiful living house reef. These features, combined with traditional Maldivian building concepts, makes Vakarufalhi a haven of nature and tranquillity.

DIVING & WATER SPORTS

Vakarufalhi has a state-of-the-art PADI certified 5 Star dive centre with professional European dive masters. The SCUBA Centre features Guided Diving Boat Trips and Night Snorkeling Trips on the House Reef, Equipment and Accessory Sales, Rental and Repair and a complete PADI Instructional Program. The center is conveniently located at the building behind the reception.

Diving Off Vakarufalhi

Vakarufalhi is home to a gorgeous house reef that is located only 15 meters from the beach. The house reef is known to be populated with a plethora of stunning sea life including schools of

snappers, soldier fish and batfish. The house reef is also home to mystical caves and overhangs. To explore the beauty of this house reef, Vakarufalhi provides daily diving and night diving excursions.

From January till the end of March, visits to Manta points are made several times a week. In the months of September until December, there is a good chance of seeing whale sharks in the area.

Boat trips are available every day of the week. Full day, early morning and night dive excursions are organized regularly. All the dive sites are within 15 to 60 minutes by boat from the Vakarufalhi Island.

Single dives to dive packages are available for certified divers.

Diving Courses

All diving education is conducted within the PADI standards and instructions are available in English, German, Italian and French. Open Water, Advanced Open Water, Rescue, Emergency First Response and specialties such as Nitrox, Photography, Underwater Naturalist, etc are some of the courses conducted by the dive school. The course theory is taught in fully equipped air-conditioned classroom.

Dive Sites

There are about 35 dive sites accessible through

the dive centre at Vakarufalhi. These sites include 15 "thilas" that are famous for their superb soft corals and the large array of fish. Most of the dive sites are located about 25 minutes from Vakarufalhi.

Water Sport Center

Our water sport center offers non-motorized water sports for new or experienced windsurfers and catamaran sailors. Instructors are available to give lessons on water sports equipment. Kayaks are available to row along the lagoon.
