The Daichi

Main Restaurant

Savour a variety of delicacies. With an emphasis on Asian flavours, sample from a selection of fresh-caught sashimi, sushi, and chirashi prepared by skilled Japanese Chefs who use traditional methods. You can also watch as energised live cooking stations showcase Chefs preparing each dish, including handmade soba, ramen, and udon noodles.

This recently expanded restaurant takes its inspiration from mountain views and the forms and shapes of origami, representing longevity and good luck. Wrapped in glass with nature in every direction, dining here is an immersive Hokkaido winter experience.

For added convenience, a Baby Corner will offer sweet and savoury baby foods, equipment to prepare babies' meals, and high chairs or booster cushions. Spare pushchairs are also available upon request.
